

## Crown Royal Series Cabinets

RoHS Compliant

The beauty of the Crown Royal (CR) Series reflects the present mode of electronic enclosures. The rectilinear outlines combine construction features to meet the demands of the most critical user. Constructed of 0.050 aluminum and finished in light gray bottom with a light blue top. This is the answer to the housing problems of the most critical engineer, OEM or hobbyist who demands versatility and rugged construction combined with beauty to enhance the prestige of the contents.

Model No.	Description	Length"	Width"	Height"	Finish	Gauge/ Thickness
